OUR STORY

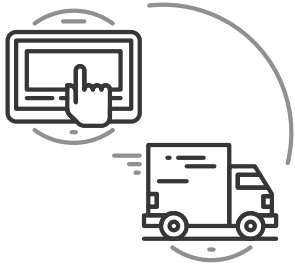

Typhoon Golf, established in 2008 by founders Bob and Melissa White, serves as the exclusive supplier for Flix Golf, a U.K.-based golf accessory manufacturer. The company's initial focus was on servicing over 20,000 golf courses across the United States, leveraging Bob's extensive 30+ years of experience in the golf industry. This proved to be a successful model. In 2012, Typhoon Golf underwent a significant transformation with a substantial investment in production equipment, thereby expanding its print capabilities and gaining access to new markets.

The company's evolution took another pivotal turn as it ventured into the ad specialty industry, capitalizing on Melissa's 15+ years of experience in the promotional products sector. By combining their unique skills and expertise, Typhoon Golf has successfully developed a strategy to cater to the distinct needs of both industries, establishing a user-friendly and service-oriented environment for clients.

All resin domed logo reproduction is executed in-house at Typhoon Golf's facility in Villa Park, IL. Since 2014, the company has experienced consistent growth, prompting the relocation of its facility. Each relocation has entailed a doubling of the facility size to accommodate current production demands and facilitate future expansion.

Presently, Typhoon Golf products are prominently featured in over 3,000 premier golf courses across the United States. The company shares its extensive experience with clients by delivering a unique combination of service, quality, and reliability, establishing itself as a trusted supplier in the golf industry since its founding. This is further emphasized by its A+ rating in the promotional industry, serving as proof of its unwavering dedication to quality and customer satisfaction.

WE OPERATE ON KEY PRINCIPLES THAT SET US APART FROM THE REST:

SIMPLIFIED PROCESS:

We provide a standard lead time of 7-10 days, *(with the option for expedited service at an additional charge)*. If you have specific timeline requirements, contact us. We do our best to accommodate your needs.

NO SET-UP CHARGES:

We refuse to impose extra fees at the expense of our customers. When you submit your artwork, you can rest assured that we will fulfill your order without stress and needless expenses.

STRINGENT QUALITY CONTROL:

We adhere to rigorous quality control standards, ensuring that no order is shipped until it meets our criteria. If it requires extra effort to achieve that, we gladly invest that effort. Ultimately, you will receive your items on time, with unparalleled quality and attention to detail.

ENJOYABLE EXPERIENCE:

Because we specialize in golf products we believe business interactions should be enjoyable. Dealing with a supplier is not supposed to be like going to the dentist. While we take our business seriously, we approach it with a smile and a friendly, upbeat attitude.

GOLF BALL "POLE" PRINTING

The poles on a golf ball printing refer to opposing sides of a golf ball. See pink areas on images below.

Branded balls will have all branding logos around the "center" of the ball and your imprint will be on pole 1 or if choosing 2 pole printing pole 1 & pole 2.

On non branded balls your imprint will be in one location or two, directly opposing sides.

NOTES

STANDARD PRODUCTION TIME

Unless otherwise noted, standard production time on all items is 7-10 days (10-12 days for items with printed tees) with appropriate and approved artwork files. (Production times may vary during peak season. May-Sept.)

ARTWORK

VECTOR ART is preferred it produces best quality because it is infinitely sizeable. Vector files are typically, ".eps" (Encapsulated Postscript) or ".ai" (Adobe Illustrator) If vector format is not available please supply an image at 300 dpi (dots per inch) at 100% of the original file size. Accepted files are jpeg, tif, png and psd. (Images that have been sized up to meet this requirement will have poor image quality.) *Please note: We cannot match colors exactly. The process done on the tool creates a color that cannot be matched.*

GOLF TEE SPECIFICATIONS

Golf Tees are wood 2.75" in length. Imprint is one color. Logo reproduction or straight line. Maximum of 3 lines. Arial font will be used unless otherwise specified. Call for pricing on PMS color matching or 2-color imprint

GENERAL INFORMATION

ORDER PLACEMENT

Orders can be sent in by either email cs@typhoongolf.com, or fax 800-521-6407. Please include a purchase order with the item number and color choice of the product if necessary. The artwork and purchase order should be emailed together. Reference your P.O. (purchase order) number and artwork name on the subject line of the email. Once the order is received, you will receive confirmation of receipt within 24 hours. For accuracy purposes orders by phone cannot be accepted.

PROOFING

Upon receipt of a purchase order via email or fax, we will generate and email a paper proof within 48 hours (usually sooner!). If a pre-production sample proof is needed, please contact us for details.

PAYMENT TERMS

Payment can be made by credit card (Visa/MasterCard) or by company check. Order production will begin upon receipt of payment.

CANCELLATIONS

Orders can be canceled without charges being incurred up to the point of proof approval. Once proof approval has been made, the production process begins. Cancellations are not permitted once production has begun.

LEAD TIMES AND RUSH CHARGES

Standard production time is 7 business days FROM PROOF APPROVAL. Rush service is available at an additional charge. Please call for details. Filling rush orders will be dependent on our current production schedule.

SHIPPING

All orders ship by UPS from our Villa Park, IL facility. Third party and drop shipping is available at no extra charge. Split shipments permitted up to a maximum of two locations.

We do not offer shipping by Fed Ex or the USPS.

BLANK ORDERS

No minimum quantity required.
Price is 20% off of EQP.

SAMPLE REQUESTS

Samples at no charge is offered on many of our items (depending on item price) when a valid UPS shipper number is provided for shipping charges. Please contact us for item specifics if you should require a sample. All samples are random. Pre-Production samples are available for \$40 (v).

LESS THAN MINIMUM

We strive to offer low minimum order requirements on all of our products. However, we will accommodate your needs and process requests to half the minimum order requirements at an additional cost of \$30 (v).

NOTICE

All products are subject to availability. All orders are subject to your individual account status. The logos and images shown in this catalog are for display purposes only and are not intended to suggest or imply that work has been undertaken for any company, or that they endorse the products upon which their name or logo is shown. The images are to illustrate the type of effect possible on the products which they are displayed upon.

RESIN DOMING—OUR SPECIALTY!

We specialize in resin doming, a process that involves applying a clear, lens-like covering over a surface. This process enhances the dimension of an image while providing protection against moisture and UV light. Resin doming is known for its scratch-resistant and "self-healing" properties.

Since 2012, we've heavily invested in equipment to produce high-quality resin domes in-house. Within a year, we've established a reputation for delivering top-notch images to our customers through this unique process.

Here's how it works:

1. We start by reproducing your image or logo using a high-resolution printer/cutter in Four Color Process.
2. The image is printed, cut, and then sent for resin dome application.
3. After applying the resin dome, it undergoes heat treatment to eliminate imperfections and cure permanently onto the image.
4. Finally, the domed image is applied to the product and packaged for shipping, with thorough inspection at every step to ensure a flawless finish.

We understand the importance organizations place on the accurate reproduction of their logos and proprietary images. Many companies and golf facilities have entrusted us to showcase their brands in the most positive light possible, and we take pride in delivering on that promise.
